

## **SFB 884 Workshop: Probability-Based and Nonprobability Survey Research**

**Date:**

June 25-26, 2018

**Place:**

University of Mannheim

**Summary:**

The Collaborative Research Center “Political Economy of Reforms” at the University of Mannheim is organizing a workshop on Probability-based and Nonprobability Survey Research. The workshop will bring together experts on probability-based and nonprobability survey research to discuss the latest developments and foster international collaborations.

If you would like to submit a contributed paper by **April 8, 2018**, you can find our Call for Contributed Papers here: <http://reforms.uni-mannheim.de/events/Call%20for%20Papers/>

Registration for accepted presenters will open in mid-April 2018. The workshop will be free of charge.

**Program:**

More information coming in May 2018
