

## **Project A6: Welfare state support from below: linking individual attitudes and organized interests in Europe**

Prof. Dr. Bernhard Ebbinghaus

is looking for a

### **Student Research Assistant**

(20-40h/month, Bachelor or Master Student)

Your task is to support the ongoing research project:

- Analyse national and international survey data (ESS, GIP)
- Data analysis with STATA and Excel
- Literature research
- Contribute to publications

#### **Requirements:**

- Student in the Social Sciences or Economics
- Interest in research on social policy and the welfare state
- Good knowledge of STATA and (preferably) Excel

We offer an invaluable chance for active participation in a dynamic research project and flexible working hours.

If interested, please submit a CV and transcript of records (English or German) by 18 November, 2016 via e-mail to Christopher Buß ([christopher.buss@gess.uni-mannheim.de](mailto:christopher.buss@gess.uni-mannheim.de)).
